Overview

This personalized learning roadmap is designed for Anup Patel based on his performance data. The roadmap includes the following sections:

- Current Performance
- Learning Goals
- Detailed Subject Roadmaps
- Monthly Plan
- Important Dates

Current Performance

Subject	Performance Summary
Math	Anup has scored an average of 86.6 in Math. He needs to focus on Trigonometry.
Science	Anup has scored an average of 86.8 in Science. He needs to focus on Human Digestive System and Animal Classification and Habitats.
English	Anup has scored an average of 86.0 in English. He needs to focus on Writing Skills.

Learning Goals

- Improve Trigonometry in Math
- Improve understanding of Human Digestive System and Animal Classification and Habitats in Science
- Improve Writing Skills in English

Detailed Subject Roadmaps

Math

Month	Focus Topics	Time
June	Trigonometry	2 hours
July	Trigonometry	2 hours
August	Trigonometry	2 hours
September	Trigonometry	2 hours
October	Trigonometry	2 hours
November	Trigonometry	2 hours
December	Trigonometry	2 hours

January	Trigonometry	2 hours
February	Trigonometry	2 hours
March	Trigonometry	2 hours
April	Trigonometry	2 hours
May	Trigonometry	2 hours

Science

Month	Focus Topics	Time
June	Human Digestive System	2 hours
July	Human Digestive System	2 hours
August	Animal Classification and Habitats	2 hours
September	Animal Classification and Habitats	2 hours
October	Animal Classification and Habitats	2 hours
November	Animal Classification and Habitats	2 hours
December	Animal Classification and Habitats	2 hours
January	Animal Classification and Habitats	2 hours
February	Animal Classification and Habitats	2 hours
